

Behaviour Management
From “Best teachers of the year “ ‘09

Make child comfortable

Positively engage on entering- meet ,greet, smile, name
Relate to each child cheerfully
A Ritual /routine
Basic needs satisfied

Make child comfortable with activity

Praise
Enthuse
Believe in child
Accentuate the positive
Give space
Always change activity before child becomes bored or loses interest

Encourage play & exploration

Motivate to activity
Motivate to choice
Praise to liberate
Culture of success
“ I believe in you”
“ You are fantastic”
Constantly need to encourage to take next step

Child- led play

Mirror ,echo, interact - movement, sound, imagination, words
Praise

Some points if in charge of a group moment

Keep an eye on every one
Big presence, **liking them** , enjoying them ;interested in them
Show energy ;smile & approve
Keep instructions simple & clear, reinforce commands
Praise to ALL- frequently!
Speak to each with eye contact
Be a real person
Have FUN activities
Change activity before child becomes bored or loses interest
Commitment to excellence & “trying” as a **positive-**“ I believe in you”- **No failure**
Each child to be comfortable & happy.
Say “ thank you”
Humour
